

The Perfect Chair®
Laptop Desk

The perfect complement to your Perfect Chair®.

Pad. Pod. Laptop. Now everything you need to make your Perfect Chair® experience even more perfect is within easy reach. The Perfect Chair Laptop Desk is intelligently designed for the ultimate in convenience.

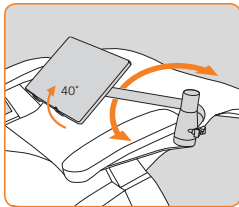

The Laptop Desk attaches to the Perfect Chair in seconds and is just as easy to tailor to your body position and task at hand. Adjust the front media table to secure your book, iPad® or papers at the perfect height. Or, if you've got some work to do, break out the laptop for the ultimate in ergonomic productivity. The Laptop Desk makes it easy to stay in your Perfect Chair longer, which means more wellness, comfort and relaxation. How perfect!

The perfect complement to your Perfect Chair®.

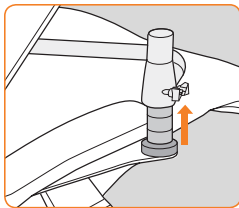

Media Table

Features dual stay-put clips to securely hold a full-sized laptop, standard-sized laptop, notebook, netbook, iPad®, book or papers in place at any angle.

Tilt-Angle Ergonomics

The intelligently designed media table tilts up to 40 degrees, and swivels parallel to the arm rest for easy exit from the chair.

Easy to Install and Customize

Mounting platform quickly installs under right-side arm rest and allows for easy height adjustment to individual body stature and position.

The Perfect Chair® Laptop Desk

- Retroactively fits the following Perfect Chair models: PC-6, PC-7, PC-9, PC-075 and PC-095*
- Includes two sets of stay-put clips for different-sized devices and two cord management clips for tangle-free cord control
- Available in three wood finishes to match your Perfect Chair: walnut, dark walnut and maple
- Features a precision horizontal leveling adjustment for devices weighing up to 10 pounds

No more random end table from that garage sale or the bulky lap desk you got on clearance at the office store. Only the Perfect Chair Laptop Desk delivers the level of comfort and convenience perfectly suited to the Perfect Chair.

**Does not fit on PC-085 and PC-086 models.*
